

30% Club Breakfast with Helena Morrissey, CEO of Newton Investment Management and Founder of the 30% Club UK

Tuesday, March 4
8.00 a.m. – 9.30 a.m.
Cipriani
12/F, Old Bank of China Building
Bank St, Central

At this special breakfast, Helena will discuss gender balance on boards, current developments in the UK and the global success of the voluntary business-led approach championed by the 30% Club. Helena Morrissey CBE is CEO of Newton Investment Management, founder of the 30% Club, chair of Opportunity Now and a member of the Royal Academy's Corporate Board. She recently led an independent inquiry into processes and culture within the Liberal Democrats. A Cambridge graduate, she began her career as a global bond analyst with Schroders in New York, and is married with nine children.

HK\$500 per person payable in advance.
Please register and pay by February 26 via:
www.etchouches.com/Helena

Proceeds from the event will go towards The Women's Foundation's Scholarship Programme which sends deserving Hong Kong students to the University of Cambridge.
