

LEADING WOMEN SPEAKER SERIES

The Women's Foundation and Bloomberg present

A CELEBRATION OF
WOMEN IN ENERGY
MAY 28, 2014, 6.30 p.m.

"In 2013, women accounted for just 6.5% of oil and gas roles in Asia compared to 10.2% in North America and 8.3% in Europe."

Oil and Gas Global Salary Guide 2013, Hay plc 2013 and Oilandgasjobsearch.com Limited

"It is vital that industry players understand the priorities and demands of the largest untapped talent of the future workforce – the younger generations and women."

Nurturing the Future Generations for the Oil and Gas Industry, International Gas Union, June 2012

Be prepared to aspire, grow and lead! Our distinguished line up of panelists will address:

- What opportunities and challenges do women in energy face?
- Do women tend to get pigeon-holed in certain functions/roles?
- What kind of qualifications, skill sets and on-the-job-experience do you need to become a leader in this field? How accessible are these opportunities to women?
- Do women bring different qualities to the job compared to men?
- What needs to happen to encourage more women to enter and stay in the energy sector?
