Dear TWF friends

TWF is delighted to be a supporting organisation of the Diversity & Inclusion in Asia Conference hosted by Community Business. The conference will take place on **11 & 12 November 2014 at the Regal Airport Hotel in Hong Kong**.

With the theme Diversity & Inclusion, the programme will look beyond the workplace. The conference will explore tangible ways in which diversity and inclusion drives competitive advantage – unleashing creativity and innovation, tapping new markets, winning new customers and ultimately increasing revenues.

Hear from opinion leaders and experts, participate in discussions and debates, take advantage of best practice and training – and return to your organisations armed with a stronger business case, compelling anecdotes and stories and plenty of ideas of how your company can leverage diversity to drive competitive advantage in Asia.

Part of the programme is focused on “The Female Advantage”, designed specifically for those looking to leverage the competitive advantage that female talent brings to leadership and organisational success in Asia.

Also, don't miss Su-Mei Thompson, TWF CEO, who will be speaking on “Leveraging Women's Networks in Asia for Competitive Advantage” from 11:00 a.m. – 12:30 p.m. on Tuesday, November 11!

We look forward to seeing you at the Conference.

Warm regards,
